EXPERIENCE

AppCard | New York, NY

Ops Engineer, June 2013 - Present

Responsible for integrating individual point of sale systems to proprietary data capture and receipt processing engines by coordinating between development, operations, and account managers. Developed internal tools to perform regression testing and calibrate OCR. Churned out custom reports, specialized offers, data scrapers, task automators, sales leads, and so on.

CBS Local | New York, NY

Software Engineer, July 2012 - June 2013

Coded v2 of an API that reduced the complexity of calls made by client mobile apps by 66%. Created web apps and published an Android app. Worked with product, design, and engineering teams; contributed to notable projects like Audio Roadshow and Audio Ad Center.

BoxOut Development LLC | New York, NY

Co-Founder, Lead Developer, January 2011 – July 2012

Co-founded a startup, designed APIs and web apps, and published two iOS apps. The first, Snapstacks, aggregated photo feeds, had over 10,000 downloads, and appeared on the "new and noteworthy" section of iTunes. The second, Dash, recommended good places to eat based on user location and social network. Incubated at and received funding from Yale University's Entrepreneurial Institute in the summer of 2012.

Modest Peach | New York, NY

Web Developer, December 2011 – January 2012, ongoing

Built an e-commerce site from scratch based on mockups in photoshop by the design team. Extended a popular framework to allow customized sorting, pagination, order tracking, shipping rate tables, sharing, and checkout process.

SKILLS

Python, Django, Flask, Objective-C, iOS, Javascript, jQuery, HTML, CSS, SQL, regex.

Stack Overflow inquisitor, Thought Catalog contributor, MBTI enthusiast, Sherlock hobbyist, Derrida fan, Kierkegaard follower, and long-distance runner.

FELLOWSHIP

Yale Entrepreneurial Institute (YEI) | New Haven, CT

May 2012 - July 2012

Awarded a summer fellowship at YEI, a ten week boot camp for startups.

EDUCATION

University of California, San Diego | La Jolla, CA

One requirement short of B.A. in Math-Computer Science, 2010

Relevant Course Works: Programming Languages, Advanced Data Structures, Design & Analysis of Algorithms, Cryptography, Game Theory, Numerical Analysis, Statistical Methods, and Discrete Mathematics and Graph Theory.

AWARDS

Chancellor's Scholarship

75% of tuition paid for at UCR, September 2005 – July 2007

LEADERSHIP

The Stand: A Journal of Christian Thought at UCSD

Co-Founder, Co-Editor-in-Chief, September 2009 – July 2010

Co-founded a student-run magazine fostering interfaith dialogue. Led a staff of twenty to produce, publish, and distribute quarterly issues of up to 2,000 copies each. Managed finances in the thousands of dollars and made public speeches promoting our vision in front of groups of hundreds of people.

Korean-American Campus Missions (KCM)

Active Member, Student Leader, September 2005 – July 2010

Led teams of dozens of people on monthly visits to volunteer at soup kitchens. Led a group of eighty students from campuses across California to volunteer at an orphanage in Rosarito, Mexico. Traveled to India in the summers of 2006 and 2007 to teach English to 10th standard students at St. Paul High School in Bangalore, India.
